The Clackamas River ~ Class III-IV

Half-Day Trip Information:

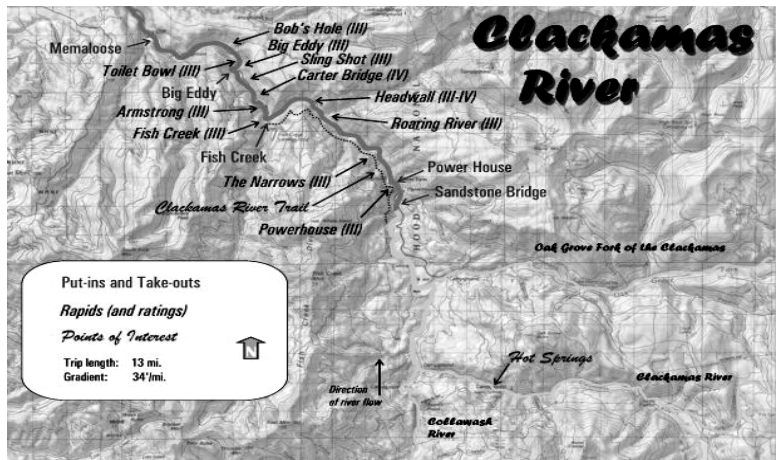

Thank you for reserving your trip with River Drifters. We look forward to providing you with the finest river trip possible. Please read the following information regarding your trip and if you have any questions or concerns feel free to call us at 1-800-972-0430.

The section of the Clackamas River that we run is known as the 'Upper Clackamas' and is a designated Wild and Scenic River. This section is surrounded by beautiful, lush riparian vegetation and is one of the last rivers in the northwest that still boasts a spring salmon run. On your trip you may see Rocky Mountain Elk, pine martins, osprey, bald eagles, or maybe even a northern spotted owl in between the exhilarating Class III and IV rapids.

Restrictions:
The Upper Clackamas is great for all kinds of rafters from first-timers to seasoned paddlers, however we do have some age restrictions:

Minimum Age (March-May): 12
Minimum Age (May-August): 6

Please let us know if you have any health concerns prior to the trip.

River Drifters will provide a wetsuit, paddle jacket, and helmet. If anyone in your group gets cold easily make sure to bring along an extra layer of capiline, poly pro, fleece, or long sleeve underwear type of shirt for their upper body. No cotton! Even though the air may be warm the water is in the mid 40s. Nobody has fun when they are cold and we want everyone to have a good time!
